

Policy Student Clinical Placement Award

<p>Purpose</p>	<p>To recognize students who have demonstrated exceptional performance at the current placement level in the following areas: practice knowledge, clinical reasoning, communication, professional interactions, performance management and professional development.</p>
<p>Policy Statement</p>	<p>Candidates are nominated on the following criteria:</p> <ul style="list-style-type: none"> <input type="checkbox"/> Practice knowledge: Use of theoretical, research-based and tacit knowledge in response to client/patient needs and intervention planning. <input type="checkbox"/> Clinical reasoning: Ability to apply the art and science of the profession in using task analysis as a clinical reasoning tool. <input type="checkbox"/> Communication: Ability to exchange information and ideas, using appropriate verbal and non-verbal behaviours, while limiting physical and psychological barriers to collaborative communication. <input type="checkbox"/> Professional interactions: Client-centred service underpins all formal and informal interactions with clients/patients and/or their proxies, thus creating collaborative interaction. <input type="checkbox"/> Performance management: Ability to use a forward-looking process for setting goals and regularly checking progress towards achieving measurable goals. <input type="checkbox"/> Professional development: Investment in attaining both personal development and career advancement demonstrated by taking advantage of both informal and formal learning opportunities. <p>An occupational therapy student can be nominated at any time during the current academic year; applications are accepted throughout the year until September 15. Nominations are reviewed once a year.</p>
<p>Requisites for Nomination</p>	<p>Nominees must be a current student of the Occupational Therapy program at the University of Alberta completing a final placement before</p>

	<p>September 15.</p> <p>A letter of nomination and completion of the nomination form outlining why the Occupational Therapy student is being nominated is required from a clinical preceptor.</p> <p>The award is given in cooperation with the University of Alberta.</p>
