Health Fair for Seniors & Family Members
June 22, 2019

Central Lions Recreation Centre | Edmonton, Alberta

The Society of Alberta Occupational Therapists (SAOT) is dedicated to the well-being of all Albertans. SAOT is proud to host this inaugural two-part event June 21 and 22, 2019 in Edmonton, Alberta.

Health Professionals Mini Conference June 21 & 22, 2019

This 1.5-day event will feature speakers covering a variety of topics including communication strategies for people with dementia, cultural safety, resiliency and trauma, and cannabis and opioid use in seniors. The mini conference will attract about 100 health professionals (occupational therapists, physiotherapists, social workers and other allied health professionals) from across the province.

Health Fair for Seniors & Family Members June 22, 2019

As an exciting addition, this conference includes a one-day seniors health fair open to seniors and their caregivers. This event provides the opportunity to connect seniors, caregivers, healthcare professionals and vendors to information, products and services geared to the wellbeing of older adults living at home. We anticipate at least 500 attendees.

Your sponsorship is greatly appreciated. **You will have ample opportunity to access, engage, and network with our conference participants, presenters, and attending seniors and caregivers.**

Most importantly, your commitment will allow us to provide:

- Presentations on a wide variety of issues delivered by expert speakers
- Free admission for seniors, family members, caregivers and community members to the Health Fair

We welcome and value your involvement and look forward to working together to improve the wellbeing of seniors in Alberta.
